

# Full Arch Mentorship

**Single Arch Fee: \$11,995 (Fee will be sent through payable invoice by email.)**

### Mentorship with Dr. Sean Mohtashami and/or Associate at 4M Institute

4MI provides:

- IV sedation (after prequalification) by an IV Conscious Sedation Licensed DDS (NOT GENERAL SEDATION BY AN ANESTHESIOLOGIST)
- 4 Neodent implants
- 4 Neodent mini conical abutments
- 4 Neodent protection cylinders
- 4 Neodent distal bar copings with prosthetic screws
- Lab conversion of a full denture to a provisional hybrid denture (if minimum initial stability requirements are met for same day loading)
- Hands-on training for 2 dental assistants. It is recommended doctors bring their BEST assistants for hands-on training in assisting the procedure and conversion process.\* The fee for one additional assistant is \$1,200. OK to bring up to 3 assistants total.

The student doctor coordinates with us to bring their own patient to 4MI with their denture case on a date that Dr. Sean or Associate is able to make themselves available. Doctors must provide their own patient unless otherwise agreed upon in advance.

**BEFORE SCHEDULING:** Nichole and Dr. Sean will do the case review prior to scheduling; this includes review of submitted CT scan, photos, and medical/dental history. 4MI will provide IV sedation ONLY with medical clearance completed FIRST by the 4MI mentoring doctor, and they may also require a medical clearance from the patient's physician. If the patient is deemed not a candidate for IV sedation by the mentoring doctor an anesthesiologist can be coordinated. 4MI can help you with this. The fee for GA is separate from 4MI and has no affiliation to 4MI.

Once the patient has been approved for IV sedation, the student doctor must complete course enrollment and payment with 4M Institute and then the surgery date will be coordinated.

Dr. Sean is the founder of 4M Institute and is both a pioneer and a leading expert specializing in dental implant solutions. Dr. Sean owns and operates several practices and opened 4M Institute to offer a much needed dental training institute, dedicated to teaching dentists not only clinical and lab training, but also marketing, sales, and leadership.

To submit your case, please email Nichole Dybdahl at [nichole@4mdentalimplants.com](mailto:nichole@4mdentalimplants.com) and once approved, she will direct you to [4MInstitute@gmail.com](mailto:4MInstitute@gmail.com) to complete enrollment

3918 Long Beach Blvd • Suite 200 • Long Beach • CA • 90807

4M Institute is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. 4M Institute designates this activity for <<number of credit hours>> continuing education credits.
